

PS 8 Library Card Application

PS 8
37 Hicks Street
Brooklyn, NY 11201
2008-2009

Dear PS 8 Families,

The PS 8 Library is an exciting and educationally rich learning environment. In order to maintain and build the library's collection, we are asking you to discuss the following rules and responsibilities with your child.

Tips for handling books with care:

- Never eat or drink while reading a book.
- Turn pages of books gently from the upper right hand corner to prevent pages from tearing.
- Place library books inside of a book bag when taking them home so books are not damaged or forgotten.
- When sharing a book with a baby brother or sister, make sure they do not tear, draw, or spill on the book.

All students who borrow books from the school library are responsible for taking good care of them and returning them by the due date. ***Any book that is lost or damaged will result in a \$3.00 fine.***

Please review these rules with **YOUR** child. In signing the attached library contract your child will be able to enjoy our library, and show responsibility by taking good care of the library books that he or she borrows. Thank you for your cooperation!

Sincerely,

Amanda Erin Green, Librarian

Library Contract

I give my child permission to receive a library card from the PS 8 Library. We both agree to be responsible for the book borrowed. *We understand that we must pay \$3.00 for any book that is lost or damaged beyond repair.*
